

Minutes from July 18, 2015

Susan Asberry, Tammy Garrett, Al Yost, Donna Tipton, Gary Johnson, Heather Cornett, Rhonda England, Vicky Voiles, Derek Houser, Donna Smith, Bob Smith, Wanda Trammel, Angelina McDonald, Jason Murphy were present. Jim Cornette, Darrian Barlow, Ross Breeding, Vernon Dockins, Crystal Phillips, Brace Cornette and Courtney White from the Chrysalis board also were in attendance.

Heather Cornette called the meeting to order, Donna Smith seconded.

Gary Johnson opened in prayer.

We discussed different areas of the board responsibilities –

1. In the nursery we are still paying the same two ladies \$20 each for childcare provided during the closing services.
2. The secretary said there was nothing new to discuss for her role.
3. For the July walk, we had 28 women and all were paid, good walk so far.
4. The book table is going good, still needing donations.
5. Agape banners for the conference room need replacing, suggestions for community to be advised of the need for new ones to be made.
6. Heather Cornette recommended changing the lock for the basement storage room because of issues of missing items and Gary Johnson said he would take charge of that.
7. Current issue of needing a new photographer for the walks, we had wireless mics to go amiss along with the crosses that were in the conference room on Wednesday night set-up.

New Business discussed

1. Voted to cut off Emmaus registration by Friday before commissioning.
2. Reports were given by Angelina McDonald, Tammy Garrett and Jason Murphy about the Leadership training attending in Chattanooga earlier in the day.

3. Considering putting together a You tube video to encourage training of sponsors-who to sponsor, when to sponsor, role of the sponsor and responsibilities.
4. Kitchen team reported that children are being brought to the kitchen and serving, not really a good time for children to be around because of the pace and the congestion of the kitchen/dining area. It needs to be addressed to the community to bring understanding.
5. The kitchen needs more fridge space but until basement storage room is updated with the electrical, we cannot get another refrigerator.
6. Organization of the storage room was done earlier in the summer but there are totes being placed over on the kitchen side of the room which makes it difficult for the kitchen crew to do inventory, efforts must be made to keep everything in its place please.
7. The water issue in the storage room MUST be taken care of for the sake of our stuff! Gary Johnson and crew will hopefully fix this during the fall men's walk.
8. Bob Smith is getting prices for food.
9. Jason Murphy briefed us on monthly giving to Emmaus thru automatic bank withdrawals.
10. Jason Murphy motioned for approval of prospective lay directors presented by Susan Asberry, Donna Smith seconded?
